11h30 Workshop's Leading question

What is the future vision of the New Bauhaus Alto Adige Südtirol and how do we want to work to get there?

Topics to discuss

If the New Bauhaus of the mountain worked really well, what would change in South Tyrol until 2035 and beyond?

Which resources and actors can be activated and interconnected to get there?

How are we willing to work to get there? Which structure and processes are needed?
